Related Mentions

- Final Reflection Paper. You will write a short personal reflection paper that describes how your team
- experience was influenced by different group properties and processes as well as reflect on your own
- behavior and learning. You will be assessed based on thoughtful, compelling and insightful writing and
- reflection, a strong connection between the experience and the learning or insights gained, and the use of
- specific detail and narrative accounts that convey an understanding of the experience supported by course
- material and personal assessment results. We strongly recommend that you maintain a learning journal or
- notes throughout the semester to aid in the writing at the end of the semester. Instructions and a grading
- rubric will be posted to Brightspace.
